Professional Experience

The Grupe Company

Financial Analyst Intern

Jan 2026 - May 2026

Stockton, CA

- Built Python-supported financial models and cash flow projections to evaluate \$1M+ real estate investments, using Power BI to clean, transform, and visualize data for DCF and sensitivity analysis.
- Conducted market research and feasibility assessments for 10+ properties, organizing comparable sales and market data through Power Query to support strategic investment decisions.
- Prepared quarterly investor reports analyzing financial performance, ROI metrics, and project-level trends for management review.

Associated Students of University of the Pacific

Finance Student Senator

Aug 2025 - May 2026

Stockton, CA

- Represented the Eberhardt School of Business as Finance Student Senator, supporting student funding, budget planning, and campus governance.
- Processed conference funding requests using Excel and Microsoft Office to track documentation and budget alignment.
- Evaluated funding priorities across two semesters to support resource allocation for student programs.
- Served as Chair of the Rules Committee, preparing PowerPoint updates, reviewing bylaws, and improving finance-related procedures.

VIBRI MEDIA

Financial Business Assistant

Aug 2023 - Jun 2024

Hyderabad, Telangana, India

- Supported daily financial operations for film production and celebrity events, managing budgets, logistics, contracts, and vendor payments totaling \$500K+.
- Negotiated vendor and production contracts, achieving 12-15% cost savings and improving financial control across film-based projects.
- Used SAP FICO S/4HANA to process payments, reconcile expenses, supporting production and event budgets.
- Built Power Query reports, Advanced Excel financial models, and PowerPoint summaries to track profitability, contributing to approximately \$100K in overall profit.

Projects

Eberhardt School of Business

Investment Analyst & Economist

Aug 2025 - Dec 2025

Stockton, CA

- Prepared investment-grade corporate bond outlook, sector holdings, and ETF recommendation reports analyzing funds such as MINT, BSCS, and MSTI through Bloomberg Terminal research, holdings review, performance analysis, risk analysis, and comparative evaluation.
- Managed an \$800K+ investment-grade fixed income fund, conducting macroeconomic, interest rate, inflation, credit spread, and sector research to support portfolio allocation decisions.
- Built Advanced Excel models and PowerPoint investment presentations summarizing valuation insights, portfolio risk exposure, market trends, and fixed income recommendations for fund review and decision-making.
